**CODE FORMAT****DATE CODING**

All of our products use a six or four-digit product code that is a combination of Year / Julian Calendar Date. This will indicate the date the product was produced.

**Six Digit Code**

Ignore the last two digits, then use four digit code.

**Four Digit Code**

The FIRST digit indicates the year the product was made;  
the following THREE digits are the day of the year that the product was made

**For Example:**

Product Code is 8251

This would indicate a production date of September 8th, 2008

The First Digit indicates the year 2008;

The following three digits indicates September 8th which is the 251st day of the Calendar Year.
